What is Masking Tape?

Masking tape is a type of pressure sensitive tape made of a thin and easy-to-tear paper, and an easily released pressure sensitive adhesive.

Uses

Car repair painting, in-door paint masking, light duty packaging, bundling, holding, splicing & tabbing, and other non-critical applications where pressure – sensitive tape is needed.

Product Size and Form

The tape is available in : Yellow
The standard length is 40m, also available in 50m, and available in widths of 6mm, 12mm, 18mm, 24mm, 36mm, 48mm, 72mm, 96mm and 144mm. Other sizes available on request.

Features

The adhesive is the key element to its usefulness, as it allows the tape to be easily removed without leaving residue or damaging the surface to which it is applied

These products should be tested before use, to ensure suitability for intended application. Should you require technical assistance, please contact our technical service department. Easitape is a South African Manufacturer & Supplier of Tapes

Made in SUNNY SOUTH AFRICA
