# Packaging Tape (Box Sealing Tape)

## What is Packaging Tape?

We offer a wide assortment of packaging tapes, that are extensively used for packing purposes of diverse products. Fabricated from premium quality raw material, these tapes ensure excellent adhesion and high durability.

Printed Packaging Tape can be used for various applications which include : security, colour coding, branding and advertising.

We print on : Clear / Buff, White, Blue, Green, Red, Yellow, Pink and Orange. We can print up to 3 different colours and match pantone colours as close possible.

Security Tapes are designed to indicate or reveal if a seal has been broken by making it extremely difficult to match a pattern once its has been cut. Patterns for security tapes are typically laid out diagonally to increase the difficulty of matching up after being cut.

## Product Size and Form

Various Colours : Clear / Buff, Green, Blue, Red, White, Yellow, Black, Orange, Pink  
Various Thicknesses : 25 Micron (2520), 28 Micron (2822), 38 Micron (3826)

These products should be tested before use, to ensure suitability for intended application. Should you require technical assistance, please contact our technical service department. Easitape is a South African Manufacturer & Supplier of Tapes
